**EXECUTIVE/MANAGERIAL
3500 SERIES PYRAMID™**

The 3500 Series is a complete line of intensive-use seating made with comfort and professionalism in mind. Desk seating easily accommodates executives and managers; guest seating outfits public spaces such as health care facilities and fast-paced, multi-shift environments like emergency call centers and customer service locations.

STYLING

- Contoured back for lumbar support
- Upholstered, resilient seat cushion

ENGINEERING AND CONSTRUCTION

- High-resiliency foam in seat cushion provides all-day comfort
- Warranted for 24/7 applications for persons up to 350 lbs.

All chairs are covered by The HON Limited Lifetime Warranty. They meet or exceed ANSI/BIFMA and ISTA performance standards.
