

The 7700 Series task chair comes in models for varying styles of work. The dedicated Task chair offers a range of adjustments for optimum all-day comfort. Meanwhile, the Multi-task models have a free range of motion that moves with you throughout a hurried, varied workday. A plastic shell outerback adjusts easily to the height that works for you. Optional arm kits. The HON Limited Lifetime Warranty is your assurance of quality, value and dependability. Meets or exceeds ANSI/BIFMA and ISTA performance standards.

7700 Task Seating

Shown with 7791T Arms

Shown with HW103T Arms

Pneumatic seat height adjustment
Regulates height of chair relative to floor.

Task Chair -Swivel, pneumatic seat height & back height.
7701AB12T Gray/Black Frame
7701AB62T Burgundy/Black Frame
7701AB90T Blue/Black Frame.....\$270.00

Multi-task control Adjust seat and back angles independently with a single lever (infinite locking within a fixed range).

Multi-Task Chair - Swivel, pneumatic seat height, back height and multi-task.
7703AB12T Gray/Black Frame
7703AB62T Burgundy/Black Frame
