## A/V CARTS

**A. Euro™ 43" Wide Screen A/V Carts**  
Combines heavy-duty construction with contemporary design, providing a sturdy, slim profile home for large monitors. The cart holds up to 28" diagonal monitors with no overhang. The included safety straps ensure secure display and transport. 43" shelf keeps monitors in clear view, while an adjustable center shelf holds accessories. Includes drawer that mounts under the center shelf for extra storage space. The wide 4-wheel base allows for easy mobility. Two locking casters secure the cart in place.  
PWB1 43" .....\$599.99

**B & C. Multimedia Projector Carts**  
Designed to complement any office space, these carts hold up to 22 lbs. per platform. Adjustable from 32"-47" high, each platform can support LCD projectors and laptop computers securely. Tilting platforms allow projection at almost any height. Sturdy base with 4 locking casters, and platforms that rotate 360 degrees for maximum flexibility. 1-platform and 2-platform configurations.  
PMM1 Single platform .....\$249.99  
PMM2 Double platform .....\$399.99

**D. Adjustable Height A/V Carts**  
Moveable audio-visual carts each hold 20" monitors and are solidly constructed of textured graphite finish steel with radius edges. Twin wheel casters move smoothly across any flooring. 42" models can be adjusted to 5 heights from 26" to 42". The 54" model can be adjusted to 10 heights from 36" to 54".
