

10600 Series

The exciting contemporary single radius-end styling of this series shows the influence of today's most expensive office furniture. Features include durable scratch-and wear-resistant laminate, attractive hardwood trim, locking drawers to secure contents, conference overhangs on the front of 72"W desks to provide room and comfort for visitors and full modesty panel for a formal appearance. File and box drawers slide smoothly and quietly on precision ball-bearing suspensions. All drawers are equipped with HON "One Key" core removable lock, making the option of re-keying quick and easy. Desks, credenzas, returns, lateral files and bookcases ship fully assembled so they arrive ready to use. **Available in Medium Oak (MM), or Mahogany (NN).** The HON® Limited Lifetime Warranty. Meets or exceeds ANSI/BIFMA and ISTA performance standards.
