

*10500 Series*

**SPECIAL ORDER DESIGN SOLUTIONS**

The 10500 Series includes an exceptionally broad offering of pre-assembled and modular desking. Numerous storage solutions and accessories provide you with a wide variety of possible layout configurations. Combined with beautiful wood-grain patterns and colors, you'll find the 10500 Series to be a most versatile and handsome desk series.

Make your workspace a little brighter! Multiple two-tone laminate options are available on all 10500 Series top surfaces, including desks, credenzas, bridges, returns, etc. HON's "Colors of Cool" palette features exciting, contemporary patterns that can be ordered on 10500 Series desking and conference tables. Worksurfaces and trims have never looked so good.
