

With the 38000 Series, a manager's office can be furnished with practicality and style. Solidly constructed with high-pressure laminate tops, every desk, stack-on storage unit, credenza, peninsula and return is backed by The HON Limited Lifetime Warranty. Flush height worksurfaces provide the manager with a spacious worksurface in a "U" configuration. Stack-on storage units can be ordered with doors and still accommodate additional shelves. Locking pedestal drawers provide security. Finally, for a stylish, contemporary look, the 38000 Series is finished with soft radius edges, full end panels and flush, monochromatic drawer pulls.
