

Wood Veneer Conference Tables

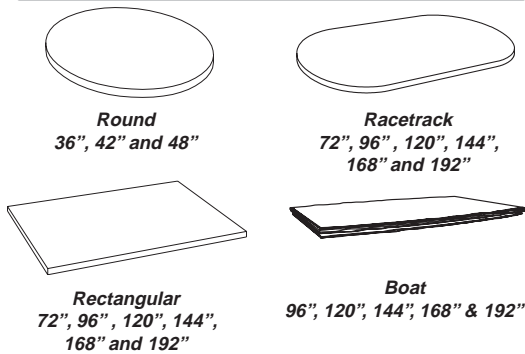

WOOD FINISHES AND LAMINATES

* Judicial available in boat top ONLY

TABLES TOPS

CONFERENCE TABLE SOLUTIONS

Round Racetrack & Rectangular table tops are 1-9/16" thick, bookmatched veneer or HPL (High Pressure Laminate). Boat tops are 3-3/4" thick. Racetrack & Rectangular Veneer and Laminate table tops with wood rim profiles have optional factory installed grommets available.

When it's time to outfit your office for conferencing, National gives you more ideas than you can shake a laser pointer at. Choose from among numerous tabletop shapes and sizes, which can be arranged to accommodate any number of people. Pump up the poshness with rich veneer or opt for the durability of a handsome high-pressure laminate palette to match your special design scheme. Add a discriminating touch with your choice of rims and ensure the sleekest appearance. Optional wire management fulfills your technology requests.
